**Sub: BSNL Bulk SMS revenue from SBI blocked due to non payments of dues to System Integrator M/s Infronics by BSNL reg.**

Respected Sir,

It is to bring to your kind notice that SBI has taken Bulk SMS service from BSNL and their billing for every month is around 4.5 Cr. There is one system integrator M/s Infronics between BSNL and SBI who processes the SMS counts and enables BSNL for raising actual invoice to SBI, for which he has to be paid service charge as per MOU from BSNL. But since August 2018 the service charge for M/s Infronics not paid by the BSNL which is around 1 crore till March pending. The M/s Infronics stopped processing of Bulk SMS count and not enabled BSNL to raise the invoice to SBI for the months April and May 2019 which amounts around 9 crores, now June months also becomes due which also around 4.5 Crores.

It is humble request to you is that kindly bring it to the notice and impress on the Corporate Office that just for payment of 1 Crore to the M/s Infronics , payments of around 13.5 Crores to BSNL from SBI is blocked , which is a great amount for the BSNL under present crisis. The total liabilities of Karnataka as on date is around 400 Crs out of which Electricity liability itself 31 Crs. By paying 1 Cr to M/s Infronics BSNL will be able to get 13.5 Crs which will be great relief for BSNL from which we can pay 50 % of the Electricity bills which is due from 4 months.

Kindly help to realize the BSNL dues from SBI, by making payments to System integrator M/S Infronics please. Similar cases may be there all over India because of which BSNL amount might have blocked, priority for such vendor pity payments helps BSNL to realize its own payments which may be in terms of crores please.

Thanking you,

Yours faithfully,
